

# GLENN HIGHWAY BRIDGE DECK PRESERVATION

0001685/CFHWY00523

Scope: This Federally-funded Bridge Preservation project will rehabilitate three Glenn Highway bridge decks: both Knik River bridges and the northbound Peters Creek bridge. The purpose of the project is to mitigate rutting and extend the service life of the bridges/roadway while enhancing safety.

<p>The proposed work will:</p> <ul style="list-style-type: none"> <li>• Extend the service life of the bridges.</li> <li>• Reduce bridge maintenance costs.</li> <li>• Replace damaged drainage hardware.</li> <li>• Replace impaired guardrail and bridge rail where needed</li> <li>• Waterproofing the bridge and reduce corrosion.</li> <li>• Upgrade signs and striping.</li> <li>• Adjust utilities as needed.</li> </ul>	<p><u>Contact Information:</u>  <a href="mailto:Christina.huber@alaska.gov">Christina.huber@alaska.gov</a>            (907) 269-0572</p>
	<p><u>Anticipated Construction:</u> Summer 2024</p>
